

Booking a gig at John & Peter's

1. First of all, don't panic (written in large friendly letters on the cover) if I don't get back to you right away. I get an average of 40 emails and 10 phone calls a day- with only 7 shows a week and some of those on hold pending responses I sometimes have to wait before I even know what dates are available. Hang in there- I'll get to it.
2. If you haven't played here before, please don't bother asking for a Friday or Saturday night. We have so many established acts vying for those spots and there just aren't enough of them to go around. Your first gig here will be a Sunday, Tuesday or Thursday night, or a weekend daytime show. If that goes well we can discuss better nights in the future.
3. Check out the performer's information sheet at www.johnandpeters.com/contactus.html
4. **Seriously amended section-** After a horribly disastrous trial, I will not be accepting requests for booking via email. The limited storage in our mailbox, in addition to our snail-paced ISDN internet connection just can't handle it. Drop off a cd or mail it to me at
